

## *Put the FUN back into FUNDRAISING*

MQ Productions is a Massachusetts-based company that specializes in fundraising for High School Groups, Youth Sports, Pop Warner Football, Boys and Girls Clubs, Police and Fire Organizations, and many more in Massachusetts, New Hampshire and Rhode Island.

We offer you professional telemarketing, a successful program, and a great fun event that your community will remember and look forward to every year.

We are a fully licensed, bonded, and registered corporation.

**95% of a successful fundraiser is the telephone solicitation, not the book or the event.**

## Loyalty

95% of a successful fundraiser is the telephone solicitation, and we have a well respected, professional approach.

No organization wants its community to be repeatedly harassed by solicitors. We are able to manage this by remaining small and only spending 3 to 4 weeks in any town, getting the job done quickly and efficiently.

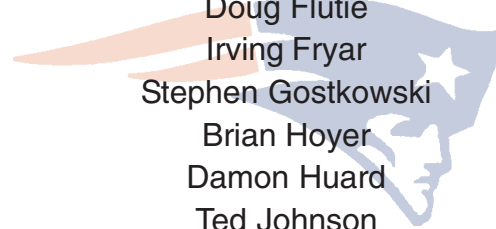

## Patriots Games

Contact us to arrange a Patriots game with your organization! We will have only current Patriots players for your softball or basketball game. Games will be played March 15 thru June 15.
